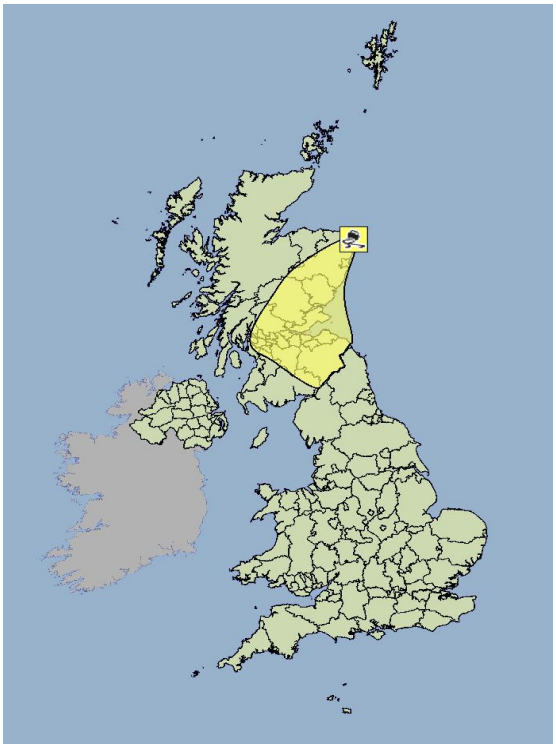
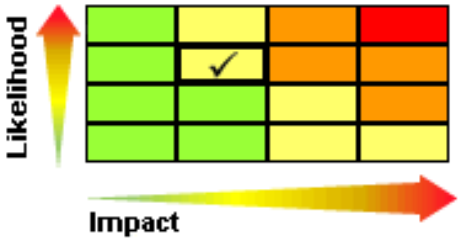
National Severe Weather Warning Service





Chief Forecasters Assessment
Light snow showers will mostly die away during Sunday afternoon and evening to be followed by a widespread sharp frost on Sunday night. Some melting snow during Sunday afternoon will refreeze on Sunday evening and overnight leading to widespread icy stretches on untreated surfaces.

The Met Office have issued a **Yellow Warning** of **Ice**

Valid from **18:00 on Sun, 18th Mar 2018** until **10:00 on Mon, 19th Mar 2018**

Ice is expected to form on roads, pavement and cycle paths. This increases the risk of accidents as well as injuries due to slips and falls.
